# **1 Introduction**

This chapter contains the Intermec Spare Parts Policy regarding printers and provides an overview of the EasyCoder C4 with options.

## Spare Parts Policy

This Spare Parts Catalog contains information on items presently available as spare parts and accessories for the Intermec EasyCoder C4 printer model.

You will notice that, as a rule, we supply only assembled spare parts. Our policy is based on the conviction that this is a more rational way of stocking spares and supplying adequate service as well.

For further information about parts not listed in this volume, please contact our Spare Parts Sales Department.

Information in this manual is subject to change without prior notice and does not represent a commitment on the part of Intermec.

**Note:** For updated information, please refer to the latest edition of the Spare Parts Price List.
